GLASS IN LIGHT

Pricelist 2017

SALES CONDITIONS

1. GENERAL

The act of sales is considered to be executed in Bassano del Grappa.

Each client who places an order with VETRART is assumed to have knowledge of the hereafter mentioned sales conditions.

2. ORDERS

Each order needs to identify the size and colour of the ordered products as defined in our price list. Due to the handmade nature of our products difference can occur in colour, shape and size. These differences can never be considered as a reason to dissolve the agreement or to reduce the price.

Vat is not included in prices.

3. ORDER RECTIFICATIONS

Each amendment to an order is considered valid only if accepted in writing and if it doesn't interfere with the production. Any rectification can lead to a rise in price.

4. ORDER CANCELLATION

For any order, already accepted and confirmed, a cost corresponding to the 50% of the value of the product will be charged to compensate the cost already borne.

5. DELIVERY

Prices do not include transport and delivery cost. The delivery address, a contact name and number and opening hours must be communicated with the order. All goods are shipped "ex works". Goods are shipped at the buyer's risk, even if the corresponding cost is charged in VETRART's invoice.

6. DAMAGE/RETURNS When goods received are damaged, the recipient must inform VETRART in writing within eight days of the date of delivery. Any claim received later than this will not be accepted. No return will be accepted without previous written authorization from VETRART.

7. DELIVERY TIME / DELAY

The delivery time, indicated on the order confirmation, does not bind our company and can be modified. Any compulsory delivery date must be clearly specified in the order. VETRART cannot be considered responsible for the delay or for the non-production of the order, in the following cases:

- a) when the payment conditions indicated on the order confirmation are not followed by the client.
- b) when the information necessary to proceed with the production of the order is not provided within the time required.
- c) when the delay or impossibility of production is due to force majeure or to any reason beyond our control.

8. COMPETENT COURT

Both parties submit to the jurisdiction of the court of Vicenza.
